

FREE COLLEGE MEALS 2022 – 2023

Background

The Department for Education provides funding for the provision of free meals for students who qualify for the assistance. For the 2022 to 2023 academic year the rate set is £2.41 per student per meal taken. The meal is provided for the days where a student attends College over the lunchtime period or is on an external work-placement.

Where necessary, reasonable adjustments will be made for special dietary requirements.

Continuing Students

Students already receiving a free meal at their school or College on or after 1 April 2018 will continue to be entitled to receive a free meal in College for 2022-2023, whilst Universal Credit continues to be rolled out, by March 2023. This applies even if your household earnings rise above the thresholds. All students must also have an Education Health and Care Plan.

New Applications

Students who are applying for a free College meal for the first time in 2022-2023 must complete an application form. The application process requires students and/or parents and carers to provide evidence of benefits that they are receiving.
