

Pinc
College.

A Specialist College for Creative Education

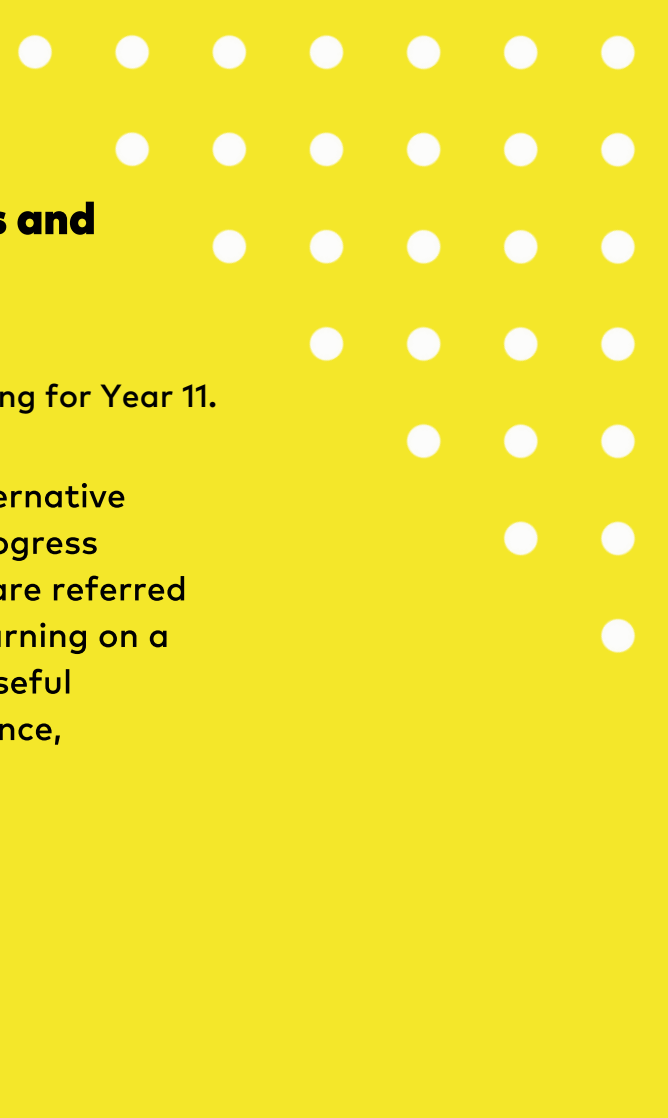

Prospectus - Year 11

Pinc College. has helped me to become an independent learner

**We support in initial engagement,
creating individual learner pathways and
securing successful destinations.**

Pinc College. provides Alternative Creative Learning for Year 11.

We deliver a Creative Curriculum within an alternative setting, for students who will make positive progress exploring Art, Design and Creativity. Students are referred by their School or Local Authority to access learning on a medium or long-term arrangement. Our purposeful programmes demonstrate progress in attendance, attainment and wellbeing.

Include. Engage. Create.

Alternative Provision for year 11

Create

- One or two days per week placement
- Learning through making, developed and delivered by qualified teachers (GCSE, A-Level)
- SENCo approved learning plans, experienced SEMH and pastoral support
- Senior leader liaison with school and multi-agency teams where necessary
- Arts Award Centre for delivery and verification of awards
- Progress tracking with a half-termly comprehensive report

Create +

- 3 days per week placement partnering with 'Vision for Education' to include Maths & English

Link

(See Post 16 Prospectus)

- A transition pathway support for Year 11's that may be enrolling with us for post 16 study
- 2 days per week
- Arts Award attainment

Year 11
12 week Link Project

Aside from the gaining valuable qualifications, most importantly Pinc College. supported a young person to engage with education at a time in which they were disenfranchised - also opened up the young person to areas of creativity that they would likely not have considered or refused previously, broadening their horizons as to what they can achieve.
